Petition to Stop James Slaughter Road / Sunset Lake Road Annexation By Fuquay-Varina, North Carolina

Petition summary and background	The Fuquay-Varina Board of Commissioners has adopted a resolution of intent to involuntarily annex 607 tracts (529 homes) on 1072.14 acres. This resolution of intent to annex serves only to duplicate services that the affected homeowners have already provided for themselves. Homeowners within the area of proposed involuntary annexation stand in opposition to this resolution on the grounds that it presents an unnecessary financial burden to both those being annexed as well as the community at large.
Action petitioned for	We, the undersigned, are concerned homeowners who urge the Fuquay-Varina Board of Commissioners to vote against the proposed James Slaughter Road/Sunset Lake Road Involuntary Annexation.
