

Join with the Coalition to Stop the Fuquay Forced Annexation

We are not in a communist country and should not be treated as if we are
– Fuquay Varina must know that their action is against the will of the
people and should not go forward!

Here is how you can help:

1. Join the Coalition by donating \$100 to the Coalition's Defense fund. We have hired an experienced attorney but can't move forward without your contribution. This will also enable you to receive bulletins via email. Use the form below to join. **YOUR DONATION IS VERY IMPORTANT!**
2. Sign the Coalition's petition. The petition is available at the Sunset Lake Clubhouse and will be available at each of the Fuquay informational meetings.
3. Contact each of the City Council members and the Mayor to voice your absolute opposition to the annexation. You must do more than complain to your neighbor – action must occur quickly in order to make a difference. Contact information for these people is posted on the Coalition website: www.stopfuquayannexation.com.
4. Contact your State House of Representatives and Senate members. The House votes on a forced annexation moratorium next week – make your citizenship count. Again, you must act quickly!
5. Volunteer to be a street captain. We need people to take leadership by helping coordinate this battle. Use the form below to sign up.

Please sign me up for the Coalition to Stop the Fuquay Forced Annexation.

- Attached is my check for \$100 for the Defense Fund. (checks should be made out to "Stop Fuquay Annex" and should be dropped off at the Sunset Lake clubhouse).
- I am willing to be a street captain.
